

# CSA WINTER FUNDRAISER - FINAL WEEK!

Dear Pine Hill Community,

One of the reasons we all love Pine Hill is its commitment to academic enrichment.

The CSA spends approximately \$175 per student each year to provide supplies and programs for Pine Hill School. Funds raised go directly to students, teachers, and our community.

Will you join the 50% of Pine Hill families who are supporting our teachers and students this year?

We're almost 3/4 of the way to our \$21,000 goal and have one more week to raise funds! Please help us get to the finish line before January 31st.

[\*\*Donate Now!\*\*](#)

One of the ways that students benefit from the funding is through grade level curriculum enrichment programs. So far this year, scheduled programs include virtual presentations by Discovery Museum, a presentation by the author Marty Kelley, and NASCAR states of matter and New England Aquarium presentations. Also scheduled is a recorder act by David Coffin, an Ecotarium presentation, as well as presentations by Paul Revere House and The Museum of Science. Also, all students will enjoy The Fourth Wall at an upcoming All School Meeting. There is still more to be scheduled!

Direct teacher support includes reimbursements for classroom supplies, curriculum support, teacher grants and appreciation events for all teachers of Pine Hill students both in-person and remote.

Community support includes Community College Scholarship Citizenship Awards that are provided to two graduating Pine Hill alumni each spring.

We realize the financial challenges that families face and appreciate any contributions that you can provide. The CSA is a non-profit organization. Your donation is 100% tax deductible and you can qualify for a match if you work for a company with a matching gift benefit. Please contact us with any questions and thanks in advance for your support.

Warmest Regards,

Royale Abrams and Tara Hourihan  
CSA Co-Presidents
