Don't forget the specials!

The 2 classes with the highest participation will receive prizes - so far it looks like **3S** and **2C** are winning but it's close!

TIPS

Do you want your kids to read more? Here are three simple things you can do to raise happy readers:

- 1) make books accessible (no such thing as too many books!)
- 2) model the behavior (parents who read are more likely to have kids who read)
- 3) make it fun - let kids choose their books!
