The CSA is looking for two people to share the role of Vice President.

If you are looking for ways to get more involved at Pine Hill, the CSA is a great way to stay on top of everything happening at Pine Hill, get to know great people, and give back to the Pine Hill community.

The Co-Vice Presidents, will spend the 2020-2021 school year learning the ropes of the CSA in preparation to take over the role of Co-Presidents the following year.
